15th Service to Islam
AWARD

Esteemed Guest,

On the occasion of the anniversary of the birth of the Prophet Muhammad, who loved all without distinction between language, religion, school, race, ethnicity, and gender, the KERİM Education, Culture and Health Foundation and TURKKAD Turkish Women's Cultural Association are privileged to organize the 15th DOST Service to Islam Award Ceremony, held this year under the title of "The Prophet Muhammad and 'Ilm". With hope of eventually experiencing the understanding of tawhid (unity) in Islam, the organizers would be honored to share the joy of this special night with you.
